## RAN SIXTY MILES ON THREE WHEELS

Marvelous Feat of Clifford Earp and Auto in Century Run.

(By Associated Press.)  
ORMOND-DAYTONA BEACH, FLA., January 27.—With the tire of his rear wheel gone before the fortieth mile, running on the bare rim at top speed and cheered by thousands on the beach side, Clifford Earp, in a ninety-horse-power English car, broke the world's record for one hundred miles this afternoon, making the distance in one hour, fifteen minutes, forty and two-fifths seconds. The former world's record, made by Fletcher on the same course, was one hour, eighteen minutes, fourteen seconds.

Cedeno, driving an Italian car, also broke the world's record. Time, one hour, sixteen minutes, thirty-nine seconds. Tillard, in a car of the same make as Clifford Earp's, drove in one hour, twenty-one minutes, five seconds. Three other cars, driven by Lancia, Harding and Chevrolet, did not finish. Clifford Earp led at ten and twenty miles, then lost one of his tires, and Cedeno took the lead. At the fifty-eighth mile Cedeno was in the lead, but Clifford Earp had crept up on his three tires and was little more than six minutes behind. At seventy miles Cedeno had gained thirty-two seconds on Clifford Earp and eleven minutes on Tillard. Then Cedeno lost a tire, and the positions were reversed. On the last lap Cedeno made a tremendous effort to win, but finished a minute behind.

In attempting the two miles a minute trial, Cedeno blew out both cylinder heads of his steamer, and the event was postponed until Monday.

The summary—One hundred miles, free for all championship, won by Clifford Earp, ninety-horse-power gasoline. Time, 1 hour, 15 minutes, 40 2/5 seconds; second, Cedeno, seventy-horse-power gasoline. Time, 1 hour, 16 minutes, 39 4/5 seconds; third, Tillard, eighty-horse-power gasoline. Time, 1 hour, 21 minutes, 5 seconds.

## ANNEXATION UP.

Judge Nicol Will Begin Hearing in Henrico To-morrow.

The annexation case will begin to-morrow morning at 10 o'clock in the Henrico Circuit Court before Judge Nicol.

The regular session of the court ended yesterday, and Judge Scott ordered an order calling for a special term.

Judge Nicol, of Alexandria, was appointed by Governor Montague after the death of Judge Scott, and he had failed of reelection.

Henrico county yesterday completed the sale of its five per cent, thirty-year bonds to the amount of \$50,000 to the Bank of Richmond at 103 1/8.

The purpose of the issuance of the bonds is for the erection of a new jail, which has been ordered by Judge Scott.

**Mr. Allan's Statment.**

To the Editor Times-Dispatch: Sir.—In your issue of to-day, I was quoted as making certain references to the President, Judge Edmund Waddill, Jr., deny emphatically having used any name of either of these gentlemen. It is a reflection upon me and is a serious reflection upon them. I never said anything of the kind, and I do not know who wrote the article, still I feel that in Justice language had been considered how disrespectful it sounded.

I would please do me the kindness to publish this statement respectfully,  
EDGAR ALLAN, JR.  
Washington, D. C., Jan. 27, 1906.

**Died of Typhoid Fever.**

(Special to The Times-Dispatch.)  
POWHTAN, C. H. VA., Jan. 27.—The youngest daughter of Mr. H. M. Woodward, aged thirteen, died yesterday of typhoid fever. The burial took place at St. Luke's Church.

## REMARKABLE TEST.

Hyomei Has Been Known for Years, and Is Guaranteed to Cure Catarrh.

We have given Hyomei a most thorough and remarkable test.

The remedy has made so many cures that we have urged its use in the most chronic cases of catarrh.

Breathed for a few minutes four times a day, through the inhaler that comes with every outfit, it soothes the irritated mucous membrane of the nose, throat and lungs, kills the catarrhal germs, and restores complete health. Its healing, antiseptic fragrance penetrates to the most remote air passages, as no medicine taken into the stomach can possibly do. Immediate relief almost always follows the use of Hyomei, and great benefit is seen after a few days' treatment.

The complete Hyomei outfit costs only \$1. and consists of an inhaler that can be carried in the pocket or purse, and will last a lifetime, a medicine dropper, and a bottle of Hyomei. If this is not sufficient for a complete cure, additional bottles of Hyomei can be obtained for 50 cents.

Compare this small expense with the fees charged by specialists.

If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to-day for a free sample bottle and consultation blank that will entitle you to services of our medical department without charge. The R. T. Booth Company, Hyomei Building, Chicago, N. Y.

## NEWS GATHERED FROM SOUTHSIDE

No Mass Meeting Held Last Night at the Court-house.

## THE CALL WAS MYSTERIOUS

Great Men's Meeting in Leader Hall This Afternoon—Personal and Pacific.

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street.

No mass meeting of Manchester citizens was held in the courthouse last night, as had been predicted there would, and throughout the city there is an interrogation point in the mouth of every man.

The call for the meeting is enveloped in a seakink cloak of mystery, as unfaithful as the infinite. Not a citizen knew who issued the call for the mass meeting, and not a person approached could give any information that would throw any light on the dark mystery.

An afternoon paper had said that a call had been made for the meeting, and that there would be a discussion on the annexation proposition. A few residents strolled through the court yard in the early part of the evening, and each one asked the other when the meeting would be called to order, and who would call it together. The replies to these inquiries were always the same—not a soul could find out anything definite.

Clifton was not asked for permission to use the court room, although he would have cheerfully given such permission to any number of citizens had he been asked.

But in the meanwhile over two-thirds of the voters of Manchester, and many of those who have no vote, but are realists, are signing petitions asking that the Council send the matter of consolidation with Richmond to the people, and let it be determined by them whether or not this city shall become a part of the larger city.

Meeting for Men.

Rev. Dr. J. Sydney Peters, of Richmond, will deliver the address to men only in Leader Hall this afternoon, under the auspices of the Railroad Young Men's Christian Association. His subject will be "Doomed, Damned and Delivered."

Rev. Mr. Peters is a fluent and powerful speaker and there will be a large crowd to hear him this afternoon at 3 o'clock.

Mr. N. B. Crabtree, of Richmond, will have charge of the music and the programme promises to be an exceedingly interesting one.

For Clear Water.

Members of the Clear Water Committee of the Council, last evening, voted to offer filtering plans in other cities in order that they may intelligently report on the matter of furnishing Manchester with clear water by the installation of a filtering plant.

The committee is composed of the following: Roy A. Van, Jr., J. T. Jones, A. R. Hooker, John S. Wakefield, J. T. Abbott and Thomas E. Taylor. Mr. Abbott was unable to leave at this time.

The gentlemen will visit several cities in Pennsylvania.

Seats for Visitors.

The Building and Lands Committee has recommended the purchase of several benches and chairs for the Council chamber in order that visitors may be accommodated when attending sessions of the body. Mr. A. A. Adkins will purchase the necessary benches and chairs. At meetings recently the attendance of citizens has been very large and there are indications that other meetings will be equally as well attended by those who are interested in what is being done.

The Council will meet this busy week. The following meetings are scheduled: Tuesday, Fire Commissioners; Thursday, Fire Committee, Health Committee and Street Committee; Friday, Finance Committee.

Social Concert.

The following programme has been prepared for the sacred concert in Bainbridge Street Baptist Church on February 2d:

Mrs. Montrose Graham, "Come Unto Him" (Messiah); Handel; Mrs. E. H. Clowes, "Heaven and Earth, Praise Him"; W. Cunningham, "Selected"; Mr. Oscar Lohman, "Out of the Deep"; Marka.

The double quartette is composed of: Sopranos, Mrs. Montrose Graham, Mrs. Raley P. Shifflet; altos, Mrs. E. H. Clowes, Mrs. Allan Pettigrew; tenors, F. W. Cunningham, T. E. Burton; basses, Oscar Lohman, W. J. Morrisette.

These ladies and gentlemen will sing the following selections: Gloria I. Excelsus; Back to Back to Dawn, Buck; Send Out Thy Light.

Miss Annie Louise Rheinhardt will play several violin selections.

The Roll of Honor.

Pupils of the High School of Manchester, who were on The Times-Dispatch roll of honor for the last month are: Misses Alice Ingram, Louise Reams and Mary Percival.

Persons and Briefs.

The little daughter of Sergeant J. G. Saunders, who has been ill for the past few days, is much improved.

The Sunbeams of Clifton Street Church will meet this afternoon, and it is desired that each one be present.

The negro man who was reported to have had smallpox at his home, on the Petersburg Turnpike, is doing very well. His wife says that he has a breaking out every year and she does not think that this sickness is anything serious. The place is quarantined.

The January term of the Corporation Court will adjourn on Monday.

In the report of the honor roll of pupils for the month of January, the names of those who received the distinction mark in the High School were inadvertently omitted. Misses Alice Littlepage Ingram, Louise Reams and Mary Percival won distinction by their excellent recitations during the month. Miss Ingram led her class for the month.

Miss Bessie Hauser is visiting the Misses Owen, at No. 113 Porter Street.

Saved Man From the Canal.

But for the prompt appearance on the scene of Officer W. L. Ogilvie, Joe Hilby would have probably lost his life in the canal at the foot of Ninth Street last Friday night. The patrolman heard the man's assistance.

Judge Files Statement.

The question has arisen as to whether or not the judges of the State should file with the secretary of the Commonwealth statements of their expenses attendant upon their nomination and election.

Judge W. W. Moffitt, of Salem, has filed his account, but no other judge has done so.

## ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, Every Reader of the Times-Dispatch May Have a Sample Bottle Sent Absolutely Free by Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

I was out of health and run down generally; had no appetite, was dizzy and suffered with headache most of the time. I did not know that my kidneys were the cause of my trouble, but somehow I felt that they might be, and I began taking Swamp-Root. There is such a pleasant taste to Swamp-Root, and it goes right to the spot and drives disease out of the system. It has cured me, making me stronger and
